## **FACULTY OF ENGINEERING, COMPUTER AND MATHEMATICAL SCIENCES**

### **Conditions**

Acceptance as an “Audit Student” allows attendance at the lectures in that course. It does not allow attendance at tutorials or computer practicals, nor will it include marking of assignments or attendance at the final exam.

The fee for Audit students is \$100.00, payable to the relevant School.

### **Non-Award Students**

Those who wish to include assignments and the final exam will need to take the course as a “Non-award student”. Enrolment procedures for non-award study can be found at the following link: <http://www.adelaide.edu.au/nonaward/>
