

The Wazir Hasan and Amir Hasan Abdi Prize

PRIZE RULES

Establishment

This prize has been established by a contribution to the University by Dr. Wazir Hasan Abdi in memory of his father Amir Hasan Abdi of Jaunpur (Uttar Pradesh) India, whose centenary of birth coincides with the centenary of the University in 1974.

Value and Payment

The value of the Prize will be \$100.00 per year, or such other amount as the University shall from time to time determine. The prize is paid as a result of a donation made by Dr Wazir Hasan Abdi to the value of \$700.00 (GST free) established on the 10th August 1973. The capital for the prize is held in perpetuity resulting in the minimum annual prize distribution paid from a composite fund.

Eligibility

The prize will be awarded annually by the University to a student who has completed the Honours Degree of Bachelor of Mathematical and Computer Sciences or Honours degree of Bachelor of Mathematical Sciences or Master of Philosophy degree in the year for which the prize is awarded and has written their research project in the area of Applied Mathematics or Pure Mathematics.

Selection of Candidate

The Head of the School of Mathematical Sciences will award the prize to the eligible student who achieves the highest overall mark in the degrees specified above.

If there is no candidate of sufficient merit in a given year then the prize will not be awarded in that year.

If there is more than one candidate of equal merit, then the prize shall be shared equally.

Variations

The University may vary the rules from time to time in a manner consistent with the original objectives of the prize.
