

Nutrien Ag Solutions Agronomy Prize

This Prize has been established by a donation to the University by Nutrien Ag Solutions, a leading agribusiness company, who wish to support the University by establishing a prize for the benefit of students in the Bachelor of Agricultural Sciences that encourages them towards a career in agronomy.

The value of the Prize will be \$3,000 and up to 12 weeks work experience with Nutrien Ag Solutions Pty Ltd for Professional Skills in Agricultural Sciences usually at the end of their second year or prior to going into the last year of their degree (in the summer period and negotiated with the student for up to 12 weeks). The internship will count towards the student's work experience course requirement.

Prize recipients

Year	Winner
2021	Henry Mitchell Brooks
2020	Samuel Peter Smith
2019	Not Awarded
2018	Brianna Rose Guidera
2017	Bethany Alice Sleep

Prize rules

Value

\$3000

Eligibility

The Prize is awarded by the University annually to a student in the Bachelor of Agricultural Sciences who has successfully completed at least their first year of studies or equivalent.

Candidate Selection

Selection of the prize will be made jointly by Nutrien Ag Solutions and the Program Coordinator of the Bachelor of Agricultural Sciences. The selection panel will include the donor. Applications will be assessed on academic merit, interview and demonstrated interest by the student in sales agronomy.

Variations

The University may vary the rules from time to time in a manner consistent with the University's legal obligations and policies.
