

THE ESSO AUSTRALIA PRIZE FOR CHEMICAL ENGINEERING

[Proposed Rules]

Establishment

This Prize was established by a donation to the University by Esso Australia Pty Ltd.

This is an endowed prize with the capital held in the University's Endowment Fund¹ and the income distribution each year used to fund the prize.

Value

The value of the Prize is \$600 per year, or such other amount as the University shall from time to time determine provided that the value of the prize does not exceed the annual distribution of interest available from the Endowment Fund. Should the value of the prize be varied, the School of Chemical Engineering will notify Esso Australia Pty Ltd.

Eligibility

The prize is awarded annually by the University to a student in their second year of any of the following degrees:-

- Bachelor of Engineering (Honours)(Chemical);
- Bachelor of Engineering (Honours)(Chemical & Pharmaceutical);
- Bachelor of Engineering (Honours)(Petroleum and Chemical).

Selection of Candidate

The Head of School will award the prize to the top student in the course CHEM ENG 2010 – PRINCIPLES OF PROCESS ENGINEERING.

If there is more than one candidate of equal merit, then the prize may be shared equally.

The School of Chemical Engineering will advise Esso Australia Pty Ltd each year of the recipient.

Variations

The University may vary the rules from time to time in a manner consistent with the University's legal obligations and policies.
