Through joining Engineers Australia as a free student member you will:

FIND YOUR EDGE

We offer everything you need to become the best engineer you can be, keep up to date with what's happening in your field and start building your network. All you need to do is take a leap and invest in your career. It's worth it; trust us!

BUILD THE SKILLS EMPLOYERS NEED

Employers want more than just smart graduates; they want well rounded professionals. We know what employers want and work with you to develop these skills, so you can stand out and hit the ground running.

GET THE JOB YOU WANT

Career fairs only give you access to a small number of jobs, but more than 80% of roles never get advertised. Take advantage of our members-only jobs board – it will open up a whole new world of opportunities for you.

BUILD YOUR COMMUNITY

Building a professional network is critical. It might be a little about what you know, but it's definitely a lot about who you know. We connect you with other emerging engineers and senior leaders in your field.

START YOUR PATH TO CHARTERED

Engineers Australia membership is your only way to become a globally recognised Chartered Engineer. We support your journey and show you the path to get there.

BE RECOGNISED

Prove your skills without having to say anything at all. An Engineers Australia post nominal is your resume in one word!

Put yourself at the heart of the largest knowledge sharing network for engineering and technology professionals in the country. Meet, learn and share with some of the most influential people in your field.
