

The Institution of Engineering & Technology (IET) Student Prize Rules

IET Prizes are awarded annually by the Institution of Engineering & Technology Australia to outstanding students who have successfully completed their Bachelor or Masters Degree course, which has been accredited by the IET or by a National Institution with which the IET has a mutual recognition agreement (e.g. EA) and graduated in 2017.

The IET student prize consists of a certificate, two years' free membership of the IET and \$350. Please note that a student can only be awarded the prize once.

The Head of School (or nominee) will nominate a graduate student to receive the IET Prize each year.
