\*Please note that while your program is based around trimesters there are some semester based electives available as part of your program. Please contact [askecms@adelaide.edu.au](mailto:askecms@adelaide.edu.au) for further information on managing a trimester/semester hybrid enrolment.

## ENG 7111 Internship

- Internships are available to students and allow students to build and apply skills to a relevant workplace setting.
- Students will need to apply for approved internships on [CareerHub](#), and if successful in gaining an internship will be enrolled by the faculty in *ENG 7111 Internship* (6 units).
- For more information see: <https://ecms.adelaide.edu.au/study-with-us/student-support/internships/computer-mathematical-sciences>
